Developer

MD. EMON RANA

KNOWLEDGE HUNTER || LOVE TO ACCEPT CHALLENGES

PERSONAL PROFILE

As a full-stack web developer learning is my passion. I Always love to introduce myself to new trends in technology. Want To build up a strong career in a reputable organization under a good boss, where I can use my knowledge and skills with unique ideas. So that I can do something for the organization and society. Because I believe, a good boss is a good teacher.
